MEMORANDUM FOR DR. KISSINGER

On File NGA Release Instructions
Apply

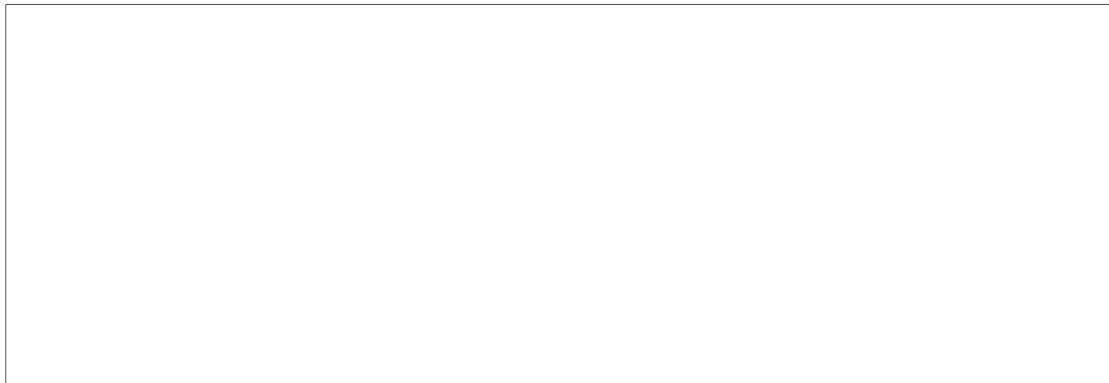

FROM: Phil Odeen *PO*

SUBJECT: Recent Soviet Intelligence Developments

DIA review(s) completed.

I was briefed this morning by DIA on the new Soviet ICBM programs.
Their latest analyses produced four items of interest:

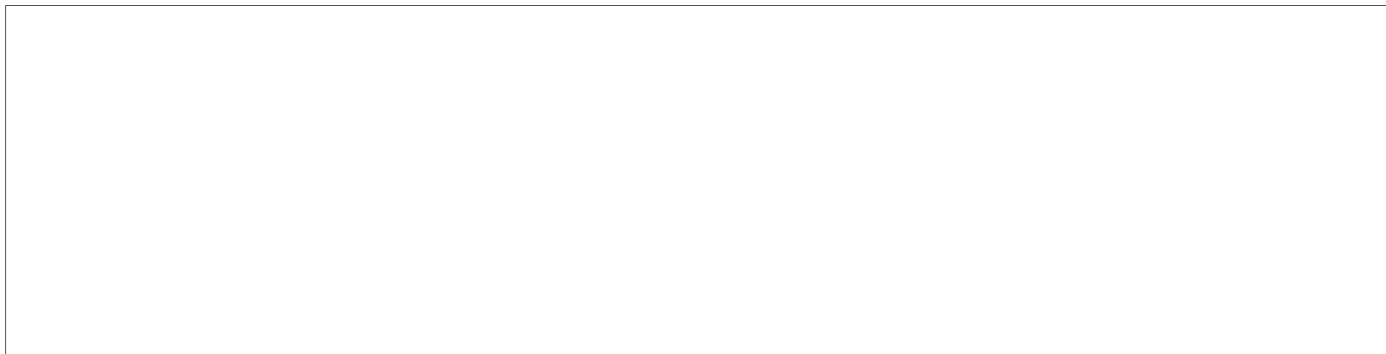

NSA review completed

25X1

SS-9 MOD 4

25X1

The political significance of this development overshadows its strategic significance. DIA's reassessment comes at a time when we are faced with major decisions about limiting MIRVs at SALT. Their analysis will reopen
